Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to Be Held on May 25, 2017

Our proxy statement, 2016 Annual Report to Shareholders and a map of the location of the annual meeting of shareholders are available at <http://investorrelations.fsbwa.com/CorporateProfile>.

Who is Entitled to Vote?

We have fixed the close of business on March 31, 2017 as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of FS Bancorp's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of FS Bancorp common stock you own, unless you own more than 10% of FS Bancorp's outstanding shares. As provided in our Articles of Incorporation, record holders of common stock who beneficially own in excess of 10% of FS Bancorp's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit unless our Board of Directors has granted permission in advance. On March 31, 2017, there were 3,065,266 shares of FS Bancorp common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. This question provides voting instructions for shareholders of record. You are a shareholder of record if your shares of FS Bancorp common stock are held in your name. If you are a beneficial owner of FS Bancorp common stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of FS Bancorp common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of FS Bancorp common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our named executive officers as disclosed in this proxy statement and FOR ratification of the appointment of Moss Adams LLP as our independent auditor. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If your common stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow you to deliver your voting instructions via telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, shares not voted will be treated as "broker non-votes." The proposal to elect directors and the advisory vote on executive compensation are considered non-discretionary items; therefore, you must provide instructions to your broker in order to have your shares voted with respect to these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of

ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan Be Voted?

We maintain the FS Bancorp, Inc. Employee Stock Ownership Plan (“ESOP”), which owns 8.35% of FS Bancorp’s common stock. Employees of FS Bancorp and 1st Security Bank participate in the ESOP. Each ESOP participant may instruct the trustee how to vote the shares of FS Bancorp common stock allocated to his or her account under the ESOP by completing the vote authorization form. If an ESOP participant properly executes a vote authorization form, the ESOP trustee will vote the participant’s shares in accordance with the participant’s instructions. Allocated shares for which proper voting instructions are not received and unallocated shares held by the ESOP will be voted by the trustee in the same proportion as shares for which the trustee has received voting instructions. In order to give the trustees sufficient time to vote, all vote authorization forms from ESOP participants must be received by the transfer agent on or before May 22, 2017.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of FS Bancorp common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held 120 days or more after the original meeting. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of FS Bancorp common stock. Accordingly, the nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected. **Our Board of Directors unanimously recommends that you vote FOR the election of each of its director nominees.**

Vote Required to Approve Proposal 2: Advisory Approval of Executive Compensation

Advisory (non-binding) approval of the compensation of our named executive officers, as disclosed in this proxy statement, requires the affirmative vote of a majority of the votes cast, in person or by proxy, at the annual meeting. Abstentions and broker non-votes will have no effect on the outcome of the proposal. **Our Board of Directors unanimously recommends that you vote FOR approval of the compensation of our named executive officers.**

Vote Required to Approve Proposal 3: Ratification of the Selection of the Independent Auditor

Ratification of the selection of Moss Adams LLP as our independent auditor for the fiscal year ending December 31, 2017 requires the affirmative vote of a majority of the votes cast, in person or by proxy, at the annual meeting. Abstentions will have no effect on the outcome of the proposal. **Our Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of the independent auditor.**

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Secretary of FS Bancorp in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of March 31, 2017, the voting record date, information regarding share ownership of:

- those persons or entities (or groups of affiliated person or entities) known by management to beneficially own more than five percent of FS Bancorp's common stock other than directors and executive officers;
- each director and director nominee of FS Bancorp;
- each executive officer of FS Bancorp or any of its subsidiaries named in the Summary Compensation Table appearing under "Executive Compensation" below (known as "named executive officers"); and
- all current directors and executive officers of FS Bancorp and its subsidiaries as a group.

Persons and groups who beneficially own in excess of five percent of FS Bancorp's common stock are required to file with the Securities and Exchange Commission ("SEC"), and provide us a copy of, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than the ones set forth below, beneficially owned more than five percent of the outstanding shares of FS Bancorp's common stock as of the close of business on the voting record date.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, shares held in the ESOP, and other forms of ownership, over which shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

As of the voting record date, there were 3,065,266 shares of FS Bancorp common stock outstanding.

**MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS
AND CORPORATE GOVERNANCE MATTERS**

Board of Directors

The Boards of Directors of FS Bancorp and 1st Security Bank conduct their business through board and committee meetings. During the fiscal year ended December 31, 2016, the Boards of Directors of FS Bancorp and 1st Security Bank each held nine meetings. No director of FS Bancorp or the Bank attended fewer than 75% of the total meetings of the boards and committees on which that person served during this period.

Committees and Committee Charters

The Board of Directors of FS Bancorp has standing Audit, Compensation and Nominating/Governance committees. The Board has adopted written charters for each of these committees, copies of which are available on our website at www.FSBWA.com under “Investor Relations.”

Audit Committee. The Audit Committee consists of Directors Leech (Chairperson), Mansfield, Tueffers and Zavaglia. The Audit Committee meets at least quarterly and its primary responsibilities are to (1) meet with both the internal and external auditors on behalf of the Board of Directors to review and discuss their findings, and to make recommendations to the Board regarding the selection of the external auditors and (2) work closely with our compliance officer to monitor compliance with all applicable laws and regulations. The Audit Committee met nine times during the year ended December 31, 2016.

Each member of the Audit Committee is “independent” in accordance with the requirements for companies listed on The Nasdaq Stock Market LLC (“Nasdaq”). In addition, the Board of Directors has determined that Mr. Leech and Mr. Mansfield meet the definition of “audit committee financial expert,” as defined by the SEC.

Compensation Committee. The Compensation Committee consists of Directors Mansfield (Chairperson), Leech and Zavaglia. The Committee is responsible for the recommendation to the Board of Directors of the Chief Executive Officer’s annual compensation package, as well as Board compensation, Chief Executive Officer evaluation, the review and approval of executive incentive packages and perquisite programs, and overseeing and administering our qualified, tax exempt benefit plans. Each member of the Committee is “independent,” in accordance with the requirements for companies listed on Nasdaq. This Committee met six times during the year ended December 31, 2016.

Nominating/Governance Committee. The Nominating/Governance Committee, which consists of Directors Piesik (Chairperson), Cochrane and Cofer-Wildsmith, is responsible for developing and recommending corporate governance policies and guidelines for FS Bancorp, and identifying and recommending director and committee member candidates. The Committee meets at least four times a year. Each member of the Committee is “independent,” in accordance with the requirements for companies listed on Nasdaq. This Committee met five times during the year ended December 31, 2016.

Only those nominations made by the Nominating/Governance Committee or properly presented by shareholders will be voted upon at the annual meeting. In its deliberations for selecting candidates for nominees as director, the Committee considers the candidate’s knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate

representation of 1st Security Bank's market area. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate it believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as one of our directors. Although the Nominating/Governance Committee charter does not specifically provide for the consideration of shareholder nominees for directors, the Committee will consider director candidates recommended by a shareholder that are submitted in accordance with our Articles of Incorporation. Because our Articles of Incorporation provide a process for shareholder nominations, the Committee did not believe it was necessary to provide for shareholder nominations of directors in its charter. If a shareholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of our Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for shareholder nominations, see "Shareholder Proposals" in this proxy statement.

Corporate Governance

We are committed to establishing and maintaining high standards of corporate governance. The Board of Directors adopted a corporate governance policy that covers the following:

- the duties and responsibilities of each director;
- the composition, responsibilities and operation of the Board of Directors;
- the establishment and operation of Board committees;
- succession planning;
- convening executive sessions of independent directors;
- the Board's interaction with management and third parties; and
- Board and Chief Executive Officer performance evaluations.

These initiatives are intended to comply with the provisions contained in the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC adopted thereunder, and Nasdaq rules. Our Board of Directors will continue to evaluate and improve our corporate governance principles and policies as necessary and as required.

Director Independence. Our common stock is listed on the Nasdaq Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board has determined that six of our seven directors are independent, as defined by Nasdaq. Directors Cochrane, Cofer-Wildsmith, Leech, Mansfield, Piesik, Tueffers and Zavaglia are all independent. Only Joseph C. Adams, who is our Chief Executive Officer, is not independent.

Code of Business Conduct and Ethics. On December 15, 2016, the Board of Directors updated our Code of Business Conduct and Ethics, which is designed to deter wrongdoing and to promote honest and ethical conduct in every respect. The Code addresses conflicts of interest, the treatment of confidential information, general employee conduct and compliance with applicable laws, rules and regulations. The Code is applicable to each of our directors, officers, including the principal executive officer and senior financial officers, and employees and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is available on our website at www.FSBWA.com.

Shareholder Communication with the Board of Directors. The Board of Directors welcomes communication from shareholders. Shareholders may send communications to the Board of Directors, FS Bancorp, Inc., 6920 220th Street SW, Mountlake Terrace, Washington 98043. Shareholders should indicate clearly the director or director(s) to whom the communication is being sent so that each communication may be forwarded appropriately.

Annual Meeting Attendance by Directors. FS Bancorp encourages, but does not require, its directors to attend the annual meeting of shareholders. Four directors attended the 2016 annual meeting of shareholders; the remaining directors' absences were excused.

Transactions with Related Persons. 1st Security Bank has followed a policy of granting loans to officers and directors, which fully complies with all applicable federal regulations. Loans to directors and executive officers are made in the ordinary course of business and on the same terms and conditions as those of comparable transactions with all customers prevailing at the time, other than those made under the Bank's employee loan program, which is described below. Loans to directors and officers are made in accordance with our underwriting guidelines, and do not involve more than the normal risk of collectibility or present other unfavorable features. These loans are reviewed by the Chief Credit Officer and are acted on by 1st Security Bank's Board of Directors.

The employee loan program applies to a mortgage loan to purchase or refinance a home. Standard loan terms and underwriting qualifications apply, as do the following benefits: (1) a credit of 1% of the base loan amount will be given to offset our standard loan origination fee; (2) an owner-occupied transaction will also be given an additional credit of \$995 to offset the processing fee; and (3) the wire transfer fee will be waived. The table below provides information regarding our directors and executive officers who had indebtedness and principal payable thereon pursuant to the employee loan program that exceeded \$120,000 during the year ended December 31, 2016.

(2) Prevailing rate at time loan was made was 3.25%.

(3) Loan was sold.

(4) Prevailing rate at time loan was made was 3.875%.

We recognize that transactions between us and any of our directors or executive officers can present potential or actual conflicts of interest and create the appearance that these decisions are based on considerations other than our best interests. Therefore, as a general matter and in accordance with our Code of Business Conduct and Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, our best interests. Accordingly, the Code requires the Board of Directors or a committee of the Board to review and, if appropriate, to approve or ratify any such transaction. If a Board member is a participant in the transaction, then that member is required to abstain from the discussion, approval or ratification process. After its review, the Board or committee will only approve or ratify those transactions that are in, or are not inconsistent with, our best interests, as determined in good faith.

Leadership Structure

FS Bancorp has separated the roles of Chairman and Chief Executive Officer. The Chairman, who is an independent director, leads the Board and presides at all Board meetings. The Board supports having an independent director in a Board leadership position and has had an independent Chairman for many years. Having an independent Chairman enables non-management directors to raise issues and concerns for Board consideration without immediately involving management. The Chairman also serves as a liaison between the Board and senior management.

Board Involvement in Risk Management Process

As part of its overall responsibility to oversee the management, business and strategy of FS Bancorp, one of the primary responsibilities of our Board of Directors is to oversee the amounts and types of risk taken by management in executing the corporate strategy, and to monitor our risk experience against the policies and procedures set to control those risks. The Board's risk oversight function is carried out through its approval of various policies and procedures, such as our lending and investment policies; ratification or approval of investments and loans exceeding certain thresholds; and regular review of risk elements such as interest rate risk exposure, liquidity and problem assets. Some oversight functions are delegated to committees of the Board, with such committees regularly reporting to the full Board the results of their oversight activities. For example, the Audit Committee is responsible for oversight of the independent auditors and meets directly with the auditors at various times during the course of the year.

The directors are compensated for their service on 1st Security Bank's Board of Directors. In 2016, non-employee directors of 1st Security Bank received a retainer of \$2,500 per month, except for the Chairman of the Board, who received \$3,500 per month, for service on the Board. Directors also receive the following additional fees: for the committee chairs, an annual retainer of \$3,600; Board meeting attendance fees of \$750 for each meeting attended in person and \$250 for each meeting attended by teleconference; and a committee meeting attendance fee of \$500. 1st Security Bank's Compensation Committee recommends to the Board of Directors the amount of fees paid for service on the Board. For 2017, the Committee recommended no increases in the fees paid to non-employee directors. Directors are provided or reimbursed for travel and lodging and other customary out-of-pocket expenses incurred in attending board and committee meetings, industry conferences and continuing education seminars.

Employee Benefits

Incentive Compensation Plan. In 2016, the Board revised our Executive Compensation Policy. The purpose of the policy is to outline the framework for developing executive compensation plans. The policy provides that plans must be structured to: (1) allow FS Bancorp to attract, retain and motivate superior executive talent; (2) ensure that incentives are appropriate in the context of Bank financial performance as compared to goals, industry averages and relevant peer groups; (3) provide sufficient discretion to recognize individual differences in performance; (4) align executive compensation with shareholder interests; (5) properly balance risk and reward; and (6) recognize the Bank's commitment to building culture and teamwork. The policy further provides that the Compensation Committee is responsible for any plan's design details, function and oversight.

The Executive Compensation Policy details the incentive awards and discretionary bonuses. Awards are based upon both Bank and individual performance and include multiple factors based upon the overall safety and soundness of 1st Security Bank. Payments must be made as soon as the year-end financial audit is completed but no later than 75 days from year end. The policy also includes a broad clawback policy that gives the Board the right to withhold or recoup awards in the event of fraud, restatement of the financial statements due to a material error, a loss or other injury to the Bank's reputation because of an imprudent risk taken by a participant or a violation of the Bank's Code of Ethics.

Participant target payout levels are set as a percentage of the participant's base pay. For each of the named executive officers, 2016 payout levels ranged from 50% to 100% of salary. Awards may be based on a number of qualitative targets but must include return on average assets, return on average equity and profit. Other targets may include allowance for loan losses levels, loan growth/concentration, deposit growth, liquidity and capital levels. Based on the assessment of the results by the Compensation Committee, a payout level is recommended for each participant. The Chief Executive Officer will also provide a recommendation for payout levels for the other members of the executive management team. The Compensation Committee has the right to provide additional discretionary bonuses on a case by case basis if it deems that the performance warrants a payout beyond the set payout levels.

Equity Incentive Plan. In 2013, our Board of Directors unanimously adopted, and shareholders approved, the FS Bancorp, Inc. 2013 Equity Incentive Plan. The purposes of the plan are: (1) to promote the long-term growth and profitability of FS Bancorp; (2) to attract and retain individuals of outstanding competence; and (3) to provide participants with incentives that are closely linked to the interests of all shareholders of FS Bancorp. As of December 31, 2016, only 6,013 shares remained available for grant under the 2013 Equity Incentive Plan.

401(k) Plan. 1st Security Bank offers a qualified, tax-exempt savings plan to our employees with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code. Generally, all employees, as of the first day of the month following the commencement of employment, who have attained age 18, are eligible to make 401(k) contributions. During 2016, participants were permitted to make salary reduction contributions to the 401(k) Plan of up to 90% of their annual salary, up to a maximum of \$18,000. In addition, participants who have attained age 50 may defer an additional \$6,000 annually as a 401(k) "catch-up" contribution. All contributions made by participants are either before-tax contributions or after-tax "Roth 401(k) contributions," as elected by the participant. We have the ability to match 401(k) contributions. During 2016, we matched 100% of participant contributions up to 3% of the participant's annual salary and 50% of participant contributions on the next 2% of the participant's annual salary. We may also make a discretionary profit sharing contribution under the 401(k) Plan, though no such contribution was made in 2016. All participant 401(k) contributions and earnings, as well as all matching and profit sharing contributions and earnings, are fully and immediately vested.

ESOP. We have adopted a tax-qualified employee stock ownership plan ("ESOP") for our employees. Employees who have been credited with at least 1,000 hours of service during a twelve month period are eligible to participate in the ESOP. Shares released from the ESOP suspense account will be allocated to each eligible participant's ESOP account based on the ratio of each such participant's eligible compensation to the total eligible compensation of all eligible ESOP participants, determined as of December 31. An employee is eligible for an employee stock ownership allocation if he is credited with 1,000 or more hours of service during the plan year, and either is actually employed on the last day of the plan year. Forfeitures will be reallocated among remaining participating employees in the same manner as an employee contribution. The account balances of participants within the employee stock ownership plan will become 100% vested upon completion of three years of service.

"Good reason" means any one or more of the following: (1) reduction of Mr. Adams' salary or elimination of any significant compensation, unless generally applicable to similarly-situated employees; (2) assignment to Mr. Adams without his consent any authorities or duties materially inconsistent with his position as of the date of the severance agreement; and (3) a relocation or transfer that would materially increase Mr. Adams' commute.

Change in Control Agreement. 1st Security Bank entered into change in control agreements with Mr. Costa and Ms. Steck in January 2016. These agreements provide that if there is a change in control of the Bank

during the term of the agreement, the executive will be entitled to a severance payment if the executive suffers an involuntary termination within six months preceding or twelve months following the change in control. The severance payment will be twelve months of the executive's then current salary, paid in a lump sum within 45 days of the termination. "Involuntary termination" means (1) termination of the executive's employment other than for cause, (2) a reduction of the executive's base salary, unless generally applicable to all senior officers of the Bank, (3) a material adverse change in the executive's benefits, contingent benefits or vacation, unless generally applicable to all senior officers of the Bank, (4) a relocation of more than 20 miles from Mountlake Terrace, Washington or (5) a material demotion of the executive, including but not limited to a material diminution of the executive's title, duties or responsibilities. Receipt of the severance payment is conditioned upon the executive signing a severance agreement containing a comprehensive release of claims.

Equity Awards. The 2013 Equity Incentive Plan provides for acceleration of awards if a recipient of an award terminates service early as a result of death or disability. In addition, awards are accelerated in connection with an actual change in control. Upon the occurrence of any of these events, all unexercisable options will become fully exercisable and all unvested awards of restricted stock will vest in full.

PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act"), we are required to periodically include in our annual meeting proxy statement and present at the meeting a non-binding shareholder resolution to approve the compensation of our named executive officers, as disclosed in the proxy statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a "say-on-pay" proposal, gives shareholders the opportunity to endorse or not endorse the compensation of FS Bancorp's executives as disclosed in this proxy statement. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the shareholders approve the compensation of FS Bancorp, Inc.'s named executive officers as disclosed in the compensation tables and related material in the proxy statement for the 2017 annual meeting of shareholders.

This vote will not be binding on our Board of Directors or Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

Our executive compensation policies are designed to establish an appropriate relationship between executive pay and the annual and long-term performance of FS Bancorp and 1st Security Bank, to reflect the attainment of short- and long-term financial performance goals, to enhance our ability to attract and retain qualified executive officers, and to align to the greatest extent possible the interests of management and shareholders. Our Board of Directors believes that our compensation policies and procedures achieve these objectives. **The Board of Directors unanimously recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this proxy statement.**

AUDIT COMMITTEE MATTERS

Audit Committee Charter

The Audit Committee operates pursuant to a charter approved by our Board of Directors. The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring our financial accounting and reporting, the system of internal controls established by management and the audit process. The Audit Committee charter sets out the responsibilities, authority and specific duties of the Audit Committee. The

charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the independent auditor, the internal audit department and management of FS Bancorp.

The Audit Committee of the FS Bancorp Board of Directors reports as follows with respect to FS Bancorp's audited financial statements for the fiscal year ended December 31, 2016:

- The Audit Committee has reviewed and discussed the 2016 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor, Moss Adams LLP, the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as amended, as adopted by the Public Company Accounting Oversight Board;
- The Audit Committee has received written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the audit committee concerning independence, and has discussed with the independent auditor its independence from FS Bancorp; and
- The Audit Committee has, based on its review and discussions with management of the 2016 audited financial statements and discussions with the independent auditor, recommended to the Board of Directors that FS Bancorp's audited financial statements for the year ended December 31, 2016 be included in its Annual Report on Form 10-K.

The foregoing report is provided by the following directors, who constitute the Audit Committee:

Audit Committee:	Ted A. Leech
	Michael J. Mansfield
	Mark H. Tueffers
	Joseph P. Zavaglia

This report shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under such acts.

PROPOSAL 3 – RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Audit Committee of the Board of Directors has selected Moss Adams LLP as our independent auditor for the year ending December 31, 2017 and that selection is being submitted to shareholders for ratification. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Moss Adams LLP to our shareholders for ratification as a matter of good corporate practice. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of FS Bancorp and our shareholders. Moss Adams LLP served as our independent auditor for the year ended December 31, 2016 and a representative of the firm will be present at the annual meeting to respond to shareholders' questions and will have the opportunity to make a statement if he or she so desires.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Moss Adams LLP as our independent auditor.

The following table sets forth the aggregate fees billed to us by Moss Adams LLP for professional services rendered for the fiscal years ended December 31, 2016 and 2015.

	<i>Year Ended</i>	
	<i>December 31,</i>	
	<u>2016</u>	<u>2015</u>
Audit Fees.	\$155,000	\$164,913
Audit-Related Fees.	123,494	25,029
Tax Fees.	38,433	19,436
All Other Fees.	--	--
	<u>\$316,927</u>	<u>\$209,288</u>

The Audit Committee pre-approves all audit and permissible non-audit services to be provided by the independent auditor and the estimated fees for these services in connection with its annual review of its charter. In considering non-audit services, the Audit Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditor and whether the service could compromise the independence of the independent auditor. All of the services provided by Moss Adams LLP in the year ended December 31, 2016 were approved by the Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own more than 10% of FS Bancorp’s common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. Directors, executive officers and greater than 10% shareholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. The SEC has established filing deadlines for these reports and we are required to disclose in this proxy statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above referenced persons, we believe that, during the fiscal year ended December 31, 2016, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly recorded and filed in a timely fashion, except for one transaction by Mr. Leech that should have been reported on a Form 4.

MISCELLANEOUS

The Board of Directors is not aware of any business to come before the annual meeting other than those matters described in this proxy statement. However, if any other matters should properly come before the meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the judgment of the person or persons voting the proxies.

We will pay the cost of soliciting proxies. In addition to this mailing, our directors, officers and employees may also solicit proxies personally, electronically or by telephone without additional compensation. We will also reimburse brokers and other nominees for their expenses in sending these materials to you and obtaining your voting instructions.

Our annual report to shareholders, including the Annual Report on Form 10-K, has been mailed to all shareholders of record as of the close of business on the record date. Any shareholder who has not received a copy of the annual report may obtain a copy by writing to the Secretary, FS Bancorp, Inc., 6920 220th Street SW, Mountlake Terrace, Washington 98043. The annual report is not to be treated as part of the proxy solicitation material or as having been incorporated herein by reference.

SHAREHOLDER PROPOSALS

Proposals of shareholders intended to be presented at next year's annual of shareholders must be received at the executive office at 6920 220th Street SW, Mountlake Terrace, Washington 98043, no later than December 19, 2017. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act, and as with any shareholder proposal (regardless of whether included in our proxy materials), our Articles of Incorporation and Bylaws.

Our Articles of Incorporation provide that in order for a shareholder to make nominations for the election of directors or proposals for business to be brought before a meeting, a shareholder must deliver notice of such nominations and/or proposals to the Secretary not less than 30 nor more than 60 days prior to the date of the meeting; provided that if less than 31 days' notice of the meeting is given to shareholders, such written notice must be delivered not later than the close of the tenth day following the day on which notice of the meeting was mailed to shareholders. We anticipate that, in order to be timely, shareholder nominations or proposals intended to be made at the annual meeting must be made by April 25, 2017. As specified in the Articles of Incorporation, the notice with respect to nominations for election of directors must set forth certain information regarding each nominee for election as a director, including the person's name, age, business address and number of shares of common stock held, a written consent to being named as a nominee and to serving as a director, if elected, and certain other information regarding the shareholder giving such notice. The notice with respect to business proposals to be brought before the annual meeting must state the shareholder's name, address and number of shares of common stock held, a brief discussion of the business to be brought before the annual meeting, the reasons for conducting such business at the meeting, and any interest of the shareholder in the proposal.
